Experience

Jun 2009 – Present
Multimedia Designer
Santia Training Services Ltd
(previously Connaught PLC)
Nantgarw

My main role here is designing and developing interactive Flash movies for eLearning courses in Health and Safety Training which are then uploaded as modules to the Learning Management System (LMS). This involves discussion with subject matter experts and the instructional designer to create engaging, relevant learning activities. Example activities include explanations of concepts, drag and drop exercises, calculations, video demonstrations and interactive scenarios. I have worked on three courses at different levels from Level 3 (A Level equivalent) to Level 6 (Diploma).

My other responsibilities include:

- Designing and coding the Flash shell minisite for course modules
- Recording and editing voice-overs
- Organising and filming relevant activities
- Styling the Blackboard LMS and Ning social network using HTML and CSS
- Updating older course designs in HTML
- Demonstrating content to clients and potential clients
- Attending the Blackboard Teaching & Learning Conference

Mar 2009 – Present
Freelance Designer (Part-Time)
Welsh Psychotherapy
Partnership, Cardiff

My work for the Welsh Psychotherapy Partnership has included designing a variety of branded printed and electronic material including newsletters, events programmes, email newsletters, event invitations, adverts, and promotional materials. My freelance work also includes work for other clients, but this is by far my main one.

Nov 2008 – Feb 2009
Freelance Designer
Digital Glass, Cardiff

I designed a range of repeating patterns for printing on glass for use in architecture and interior design. The collections I worked on were Wallpaper, Steelworks, Earth, Vintage and Floral.

Other Employment

Throughout my education I have worked in a call centre, in bars, and in retail. This variety of work has given me a good ability to get along with people in all sorts of environments and situations.

Skills

I am comfortable working in a Mac or Windows environment.

Experienced: Illustrator, Flash (AS2), Photoshop, InDesign

Some experience: Dreamweaver (HTML and CSS), AfterEffects, SoundBooth

Education

2005 – 2008
Bath Spa University
BA (Hons) Graphic Communication
2.2

My design work produced during this time included design for print, photography, web design, animation and video making. In my final year I was given the position of student halls warden.

2004 – 2005

BTEC Foundation Diploma Studies in Art & Design Technology (Distinction)
Glamorgan Centre for Art and Design Technology, Pontypridd.

1997 – 2004

A Levels in Art & Design (A), Maths (A), Further Maths (B), Physics (B)
Radyr Comprehensive School, Cardiff.
